Polo Grounds, N. Y., Oct. 9.—The Philadelphia Athletics swamped the New York National league champions today under a fusillade of hits, defeating the Giants by the score of 8 to 2. Bush's fine pitching, together with Collins' hitting and sparkling defensive work and a long four-base smash were bright features of the Athletics' game.

Tesreau was found for five runs in the first two innings. Bush allowed only five hits. Doyle made a scintillating doubleplay unassisted in the seventh inning. The two clubs will play the fourth game of the series at Shibe Park, Philadelphia, tomorrow. Over 35,000 persons saw today's battle at the Polo Grounds.

The New York Giants and the Philadelphia Athletics, pennant winners of the National and American leagues, met here this afternoon in the third contest of the world's baseball series. Thirty-five thousand persons, undisturbed by a constant threat of heavy rain, swarmed the vast concrete stadium to view the struggle.

The Athletics and the Giants came on the field together shortly before 1 o'clock and the greeting cheers of the crowd scarce had died away before the Giants started in a long batting practice. The American leaguers passed the ball back and forth on the side lines.

First Inning
Philadelphia.—The announcement that Bush would pitch caused hundreds to murmur in the stands "This is the pitcher that Connie Mack has kept under cover for six weeks in order to use him in the world's series."

Thomas, the Athletics' catcher, said that Bush had a world of speed and a fine breaking curve when he was ripe. Tesreau's curve broke over the

plate for a strike. His second pitch was a ball. Fletcher threw out Murphy at first. It was a close play, the ball bearing the runner by only a step. Tesreau had plenty of speed and break to the ball.

Oldring singled when Tesreau sent up a floater. Collins took a strike, the ball curving over the plate near his knees. Tesreau then shot over another strike, putting the batter in a hole. Collins singled over second. Oldring going to third. Then came Baker to the bat and the Athletics' rooters gave a mighty cheer. Baker missed the first one. The New York infield laid back to try for a doubleplay. Baker missed the second one by a foot. Oldring scored on Baker's single to left, Collins being held at second.

Tesreau put over a strike on McInnis. Collins and Baker made a double steal, putting them on third and second respectively. McLean dropped Tesreau's pitch. McInnis struck out and was retired. McLean to Merkle. Collins and Baker scored when Fletcher took Strunk's grounder and threw wildly to the grandstand. Strunk went to second on the play. Barry popped to Fletcher. Three runs, three hits, one error.

New York.—Bush put over the first one for a strike. The second was a foul. After having two strikes on the batter, Bush pitched three balls. Herzog went out, Barry to McInnis. Bush had a basketful of speed, but seemed somewhat shy of control. Doyle got an infield hit which Bush was unable to field in time. Doyle had a good start on the pitcher in an attempt to steal, but Fletcher fouled the ball. Fletcher was hit by pitcher. Burns flied to Collins, who tossed to Barry, doubling Doyle at second. No runs, one hit, no errors.

Second Inning

Philadelphia.—Schang struck out, being unable to gauge Tesreau's spitter. Bush flied out to Murray. Murphy beat out a hit to short, Fletcher making a nice stop back on the grass but could not get his man at first. Oldring got a second single to right, sending Murphy to third. It was the hit and run play cleverly worked.

Oldring stole second, Murphy being held at third. Murphy and Oldring scored on Collins' line drive over Doyle's head. This made six hits off Tesreau in two innings and the third

man still to be put out. Collins was at second when Doyle took Baker's burning grounder and touched second. It looked like a sure hit and only wonderful fielding by Doyle prevented the ball from going to center field. Two runs, three hits, no errors.

New York.—Shafer was out when Collins took his slow roller and tossed to first. Murray sent up an easy fly which Collins smothered. McLean laughed when Bush fooled him with a slow floater over the inside corner. McLean fouled out to Schang. No runs, no hits, no errors.

Third Inning

Philadelphia.—McInnis flied out to Burns, the Giants' fielder taking the line drive over near the foul line. Burns took care of Strunk's high fly, having to move but a few feet to get it. McLean took Barry's freak foul. No runs, no hits, no errors.

New York.—Merkle sent up a high fly to Strunk. Tesreau went out on three straight strikes. The last ball Tesreau struck at struck the plate and bounced into Schang's hands. Collins took Herzog's liner and the inning was over. The crowd applauded Bush as he walked to the bench. No runs, no hits, no errors.

Fourth Inning

Philadelphia.—Schang struck out for the second time in the game. Bush got a Texas leaguer which Burns trapped on the top of the grass and it looked like a put out. Murphy went out to Shafer. Doyle threw out Oldring at first. No runs, one hit, no errors.

New York.—Umpire Ritger cautioned the Athletics players on the bench from coaching. Doyle fouled out to Baker. Bush had plenty of "stuff" on the ball, his curve breaking very wide at times, keeping Schang busy going after the mud. Bush gave Fletcher three balls and then put over two strikes. Fletcher singled over second. Collins stopped the ball, but could not recover to make the throw. Burns fanned and Schang snapped the ball to McInnis, who nearly caught Fletcher, Fletcher ran off the bag. Fletcher stole second, having a good lead on the pitcher and Schang's throw being wide. Collins threw out Shafer. No runs, one hit, no errors.

Fifth Inning

Philadelphia.—Collins made the New York fans' hearts sink by sending a liner to right which was only foul by inches. Collins went out on a smothering liner to Murray. Fletcher took Baker's pop fly on the left field line. McInnis went out on a fly to Murray. No runs, no hits, no errors.

New York.—Bush pitched three balls then shot over two strikes on Murray. Murray walked. It was the first base on balls given in the game. Murray stole second and went to third on Schang's wild throw to right center. Murray scored when McLean's hit shot by Baker. Cooper ran for McLean. Merkle flied to Murphy. Cooper easily stole second, Schang's throw being very high. Baker threw out Tesreau, Cooper going to third. Schang threw out Herzog at first. One run, one hit, one error.

Sixth Inning

Philadelphia.—Wilson is now catching for New York. Strunk flied to Burns. Barry singled sharply to right. Schang sent a long foul ball into the left field stand and the crowd groaned, thinking it would be a home run. Wilson took Schang's foul after a long run to the Athletics' players' bench. Bush flied out to Doyle. No runs, one hit, no errors.

New York.—Score now 5 to 1. Doyle went out on a grounder to McInnis unassisted. Fletcher walked. A double play ended the inning. Bush took Burns' flash and threw to Barry, forcing Fletcher at second. Barry then completed the double by a rifle

shot throw to McInnis. No runs, no hits, no errors.

Seventh Inning

Philadelphia.—Murphy sent a spitter to right field for a single. Murphy was forced at second when Fletcher took Oldring's smash and tossed to Doyle. Collins sent a long foul into the upper right field stand, the ball falling almost into fair territory. Oldring scored on Collins' three base hit along the right field foul line. The ball took a wicked bound past Murray, enabling Collins to make third base. Collins scored on Baker's single to center. The Athletics' hitting was too much for Tesreau, and he was called from the pitching mound. Crandall went into the box for New York. McInnis was out when Doyle took his liner and touched Baker on the line for a double play, unassisted. Two runs, three hits, no errors.

New York.—Shafer doubled to left. Shafer scored on Murray's single to left. Wilson fanned and Schang threw out Murray at second, Collins taking the throw and completing the double play. Merkle walked. Wiltsie ran for Merkle. Collins threw out Crandall at first. One run, two hits, no errors.

Eighth Inning

Philadelphia.—Wiltsie went out to play first base for New York. Crandall threw out Strunk. It was announced that the attendance figures and receipts would not be given out until tonight. Crandall also threw out Barry. Schang scored on a home run drive into the right field stand. Baker came out and shook Schang's hand after he crossed the plate. "You belong to the home run club," said Baker. Bush struck out. One run, one hit, no errors.

OIL CASE HEARD

Denver, Oct. 9.—The legal questions involved in the suit of the federal government against the Midwest Oil company today were sent for solution to the supreme court of the United States. A list of six questions, prepared by the judges of the United States circuit court of appeals, was certified, filed, then mailed to Washington. Upon the opinions of the supreme court on these questions depends the title to millions of acres of oil lands in Wyoming, and California, which the government seeks to retain to furnish a supply of fuel oil for the navy.

The questions chiefly concern the right of the president to withdraw oil lands prior to the act of June 25, 1910.

SULZER LAWYER MAKES STRONG PLEA

SAYS RESULT OF TRIAL WILL HAVE GREAT EFFECT ON NEW YORK

MAY CAUSE LAWLESSNESS

IF GOVERNOR IS FOUND GUILTY HE SAYS PASSION WILL REIGN

VERDICT NOT TO COME SOON

EACH SIDE IS GIVEN FIVE HOURS IN WHICH TO MAKE ARGUMENT

Albany, New York, October 9.—Final arguments held the stage in Attorneys for each side were allotted five hours, virtually a run day's session, for making their summing up addresses.

"We are on the threshold of an event," began Attorney Marshall of Governor Sulzer's counsel, "which will make a permanent impression on the history of our state, which will determine whether the reign of law has ceased and that of passion and prejudice has begun."

"The picture which is now unfolded before the civilized world is unique in the experience of mankind. The governor of the greatest state in the union who was elected less than one year ago by an unprecedented majority, stands before you on trial for his very existence, charged with being a common criminal. Not because, while an incumbent in office, he has been guilty of official corruption; not because he has taken one dollar of the people's money, nor has enriched himself at their expense, or has received a bribe, or has done ought to injure the public weal."

"When we analyze the collocation of offenses, which the members of the assembly could not possibly have read or considered, we cannot fail to be impressed by the fact that the three fundamental charges relate to acts which occurred and were completed before the respondent entered on the performance of his duties as governor and took his constitutional oath of office."

ASSIST THE DEPUTIES IN PREVENTING INJURY OF SEVERAL NEGROES

Denver, Oct. 9.—At 3:40 o'clock this afternoon Governor Ammons received a telephone message from Trinidad that another clash had occurred between strikers and guards at Ludlow. The governor's advisors stated that the Trinidad militia company had gone to the scene as deputies to assist Sheriff Grisham in restoring order.

According to advices received here representatives of the Victor-American Fuel company were taking a searchlight into the Ludlow-Hastings district in an automobile. As the machine passed the union tent colony at Ludlow the strikers are said to have fired at the automobile. Guards in the machine replied and a spirited exchange of shots ensued. At last reports the battle still was on.

Battle Begins in Afternoon

Trinidad, Col., Oct. 9.—The report that armed strikers from Ludlow tent colony have been interfering with traffic on the Colorado & Southern railroad was received here today from local officials of the road. According to the officials a freight train was fired upon by strikers late yesterday and box cars riddled with bullets. The firing was done, it is said, by the strikers who thought the train carried strikebreakers.

Colorado & Southern passenger train No. 2 at Ludlow last night was searched by armed strikers, who went through the coaches. A bunch of negroes were aboard in charge of deputies, bound for the Forbes mine. Passengers aided the deputies in pacifying the excited strikers and in inducing them to leave the train.

Renewed fighting between the strikers of the Ludlow tent colony and guards started shortly after 2 o'clock this afternoon and more than 100 shots were reported to have been exchanged. Upon receipt of the first report of the clash Sheriff Grisham ordered Captain E. J. Foreman of the local militia company to assemble his men and they left for the scene on a special train hastily made up. The militia was accompanied by a large force of deputies.

Strikers are reported to be more than 200 strong and the firing is said to be going on across the canyon about the same place where the battle took place on Tuesday. As far as known no one has been killed or injured.

MEXICAN CHAMBER OF DEPUTIES CONSIDERS A BILL TO THAT EFFECT

HUERTA OPPOSED TO IT

HE SAYS IT WILL BE KILLED BY THE SENATE IF LOWER HOUSE PASSES IT

TORREON IS EVACUATED

MEXICO CITY HEARS CONFIRMATION OF REPORT RECEIVED YESTERDAY

Mexico City, Oct. 9.—The bill introduced in the Mexican chamber of deputies for the postponement of the presidential elections came up for first reading yesterday, but was postponed for two days.

Provisional President Huerta declared that the bill would be unavailing in any event, since it would be thrown out by the senate in case the chamber of deputies should pass it.

A telegram received today at the United States embassy from Consul General Phillip Hanna at Monterey says that a party of more than 300 Americans, Englishmen and other foreigners left Torreon 15 days ago by special train. They are expected at Monterey tonight.

The party was heard from yesterday. All were well. One baby had died during the overland journey and another one had been born. Much alarm had been experienced here over the possible fate of foreigners in Torreon, in view of the reported massacre of 175 Spaniards by the rebels there.

The evacuation of the city of Torreon by the federal troops was confirmed today by Manuel Garza Adame, minister of the interior, who declared that General Tracy Aubert, the federal commander, with Generals Mungia, Ignacio Bravo and Escudero, is now at Hipolito near Saltillo. The latter three commanders, according to the minister of the interior, are to undergo court martial for the evacuation of Torreon.

The report that General Aubert has gone over to the rebels is generally discredited here.

General Gustavo Maza has been recalled from the border to co-operate with General Lauro Villar, who left Mexico City last night with 400 federal soldiers for Torreon.

Confirmation of the execution by the rebels at Torreon of General Alvarez with his staff and a number of federal soldiers, has been received by the war department from unofficial sources. General Alvarez had started for Durango when he was defeated and his artillery captured by the rebels.
